**WHEREAS**, Section 414 of Title IV of the Student Code currently prohibits Retroactive Appropriations;

**WHEREAS**, this policy unfairly and disproportionately affects student organizations whose requests are heard by Finance Committee later in the appropriations cycle;

**WHEREAS**, allowing Retroactive Appropriations would mitigate the negative effects of the “first-come, first-served” policy regarding the order in which funding requests are heard;

**WHEREAS**, allowing Retroactive Appropriations would enable student organizations to receive funding for events throughout the entire semester, and not only for after their funding hearings;

**THEREFORE, BE IT ENACTED BY THE UNDERGRADUATE SENATE OF THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL THAT:**

**Section 504.** Retroactive Appropriations may be funded in the same manner as other appropriations. Retroactive Appropriations shall only be funded for events or other expenses that occur during the appropriations cycle in which the request is submitted. A retroactive appropriation request is a request considered by the full Senate after the pertaining programs or services have already been performed, have commenced, or have been realized within the accounts payable of the organization requesting the money.
